

The fully computerized library of iLEAD has two wings. Fountainhead(book library) and the Explorer's World (audio-visual library). Fountainhead has dedicated zone each to management and media along with general section. The book library of iLEAD is a treasure house of knowledge comprises ever growing collection of around 15000 books, 28 journals, 35 magazines and 11 newspapers. All these valuable resources are well organized in the -----sq. ft. area where 48 users can sit at a time and they are monitored by CCTV camera and secured by RFID system.

Journal section of the library has subscription of 23 national journals, 5 foreign journals and 35 magazines. To aid these print versions of journals, library also has subscribed online journals.

Audio visual library consists of 4000 CD/DVDs and 2000 e-resources which includes e-books, documentaries, tutorials and articles on various subjects.

To fulfill the ever growing information thirst of our students and staff, library has taken institutional membership of following libraries – British Council Library and American Library. Users can borrow books or can use online facilities of those libraries.

Stock and services of the library are aimed to meet under graduate and post graduate level study. Membership is open to all students and staff of iLEAD as well as to external members on all working days from 8am to 6pm.
